

CENTENNIAL COURT

Community Policies

WELCOME TO CENTENNIAL COURT APARTMENTS, the unique residential community for students, faculty, staff, and affiliates of The University of Texas at Arlington (or the University) and other institutions of higher education. This Property is only for residents who appreciate a beautiful environment and the convenience of on-campus apartment living, and who will make a strong commitment to caring for the community in which they live. The cleanliness, beauty, and enjoyment of the Property will be enhanced if you will speak up whenever you observe a thoughtless act, unsafe condition, or questionable person on the grounds. The community will be governed by the rules of common courtesy and common sense.

You must follow the **STUDENT CODE OF CONDUCT** of the University. By enrolling at the University a student neither loses the rights nor escapes the responsibilities of citizenship. All students are expected to obey federal, state and local laws, the rules and regulations of the Board of Regents of The University of Texas System, the rules and regulations of The University of Texas at Arlington and directives issued by an administrative official in the course of his/her duties. *A student who enrolls at the University is charged with the obligation to conduct himself/herself in a manner compatible with the University's function as an educational institution; consequently, conduct which interferes with the use or utilization of University facilities by other persons may be punished regardless of whether such conduct is specifically outlined in the Student Code of Conduct.*

APPEALS may first be addressed in writing to the on-site Director of Operations. If you are unsatisfied with this decision a written appeal may be forwarded to: Assistant Vice President of Operations – Centennial Court, 1001 Fannin Street, Suite 1350, Houston, Texas 77002.

SAFETY

S1. SECURITY - It is not possible for any apartment owner or manager to ensure "security" or "safety." For your convenience, many features, such as six-foot perimeter fencing, deadbolt locks, and limited access gates are provided. The University Police Department provides police services in the Project from time to time at their sole discretion. You should not assume their presence. We believe in the effectiveness of neighbors looking out for each other and we encourage residents to get to know their neighbors. You must promptly report any incident of theft, vandalism, or unsafe conditions to the University Police and our office. Whenever possible, please furnish a detailed description of the offender, date and time of day, make and color of car, license plate number, etc. Please call the University Police at 817-272-3381 for non-emergencies and 817-272-3003 or 911 to report any criminal activity. We will support your vigilance and will, where appropriate, prosecute acts of vandalism, trespassing, and theft.

ACCESS TO THE PROJECT. Your access key fob contains your personal electronic code. Your acceptance and use of the access key fob is subject to your compliance with the following guidelines:

- A. Immediately report lost or stolen key fobs to us. Your number can then be programmed out of the computer to prevent unauthorized use of the key fob. Lost, stolen or damaged key fobs will be replaced for a charge of \$85.00. This charge offsets the cost of the key fob and the cost of reprogramming the computer.
- B. Your right to use the access key fob ends when your lease ends or is terminated. You must return all key fobs at that time. If you fail to return the access key fob when your lease ends or is terminated, you will be charged \$85.00.
- C. Do not let other people use your key fob. Do not duplicate any keys. You will be charged a \$100 fee if you give your key to an unauthorized person.
- D. Mere possession of a key fob does not necessarily confirm right of entry. Therefore, please do not assist someone who appears to be having difficulty gaining entry. Please do not let someone whose access privileges have been revoked, or guests of others, enter the property with your key fob. You may be held liable for the actions of any non-resident you have allowed entry into the property.

To avoid damage to your vehicle and to the vehicle access gates, pass through the gates carefully. Do not tailgate and follow other cars through the gate. We will not pay and are not responsible for any damage to your car. You may be sanctioned, incur a fee, and/or charged for the repair costs of any damage to gates caused by vehicles driven by you or your guests. People who vandalize the gates will incur a fee, required to pay the costs of repairs, and may face disciplinary action and/or criminal prosecution.

PERSONAL SECURITY – WHILE INSIDE YOUR APARTMENT

- Lock your doors and windows, even while you are inside.
- Use deadbolt locks on the doors while you are inside.
- When answering the door, see who is there by looking through a window or peephole. If you do not know the person, first talk with him or her without opening the door. *Do not open the door if you have any doubts.*
- Do not put your name, address or phone number on your key ring.
- If you are concerned because you have lost your key or because someone you distrust has a key, ask us to rekey the locks. You have a statutory right to have that done. You will pay for the rekeying.
- Dial 911 for emergencies. If the 911 number does not operate in your area, keep phone numbers handy for the police, fire and EMS. If an emergency arises call the appropriate governmental authorities first, and then call us.
- Check your smoke detector monthly for dead batteries or malfunctions.
- Check your door locks, window latches, and other security devices regularly to be sure they are working properly.
- Immediately report the following to us in writing, dated and signed:
 - Any need of repairs of locks, latches, doors, windows and smoke detectors
 - Any malfunction of other safety devices outside your dwelling, such as broken gate locks, burned-out lights in stairwells and parking lots, blocked passages, broken railings, etc.
- Close curtains, blinds and window shades at night.
- Mark or engrave identification on valuable personal property.

PERSONAL SECURITY – WHILE OUTSIDE YOUR APARTMENT

- Lock your doors while you are gone. If you have them, lock your door handle lock, keyed dead bolt lock, sliding door pin lock, sliding door handle latch and sliding door security bar.
- Leave a radio or TV playing softly while you are gone.
- Close and latch your windows while you are gone, particularly when you are gone for an extended period.
- Tell your roommate where you are going and when you will be back.
- Do not walk alone at night.
- Do not hide a key under the doormat or a nearby flowerpot. These are the first places a burglar will look.
- Do not give entry codes or electronic gate cards to anyone.
- Use lamp timers when you go out in the evening or go away for an extended period. They can be purchased at most hardware stores.

- Let us and your friends know if you will be gone for an extended time. Ask your neighbors to watch your apartment since we cannot assume that responsibility.
- While away for an extended period, have your newspaper delivery stopped, or have a friend pick up your newspaper daily.
- Carry your door key in your hand, whether it is daylight or dark, when walking to your entry door. You are more vulnerable when looking for your keys at the door.

PERSONAL SECURITY – WHILE USING YOUR CAR

- Lock your car doors while driving. Lock your car doors and roll up the windows when leaving your car parked.
- Do not leave exposed items in your car, such as electronics, wrapped packages, backpacks or purses.
- Do not leave your keys in the car.
- Carry your key ring in your hand while walking to your car, whether it is daylight or dark and whether you are at home, school, work or elsewhere.
- Try to park your car in an off-street parking area rather than on the street. If you park on the street, park near a streetlight.
- Check the backseat before getting into your car.
- Do not stop at gas stations or automatic teller machines at night, or anytime when you suspect danger.

PERSONAL SECURITY AWARENESS

No security system is failsafe. Even the best system cannot prevent crime. Always proceed as if security systems do not exist since they are subject to malfunction, tampering and human error. We disclaim any express or implied warranties of security. The best safety measures are the ones you perform as a matter of common sense and habit.

- A. The complaining resident discusses the problem with our staff; staff will give tips on how to talk with the roommate/neighbor; the complaining resident addresses the concern directly with the roommate/neighbor.
- B. Our staff will follow up with the complaining resident. If the problem remains, a resolution meeting is held among roommates/neighbors and our staff. A roommate/neighbor contract may be formulated to help negotiate a compromise.
- C. Our staff will follow-up and revise the roommate/neighbor contract if needed.

BED BUG ADDENDUM

This Bed Bug Addendum (this "Addendum") is made and entered into as of the same date as the Lease Contract (the "Lease") to which this Addendum is attached by and between Owner and Resident named therein. The terms of this Addendum shall be in addition to the terms of the Lease as if the terms of this Addendum were written into the Lease. In the event of any conflict between the terms of the Lease and this Addendum, the terms of this Addendum shall prevail.

1. Purpose. It is important that we work together to prevent the infestation of bed bugs. While the presence of bed bugs is not always related to cleanliness or housekeeping, good housekeeping will help control the problem. This Addendum contains important information for you and sets forth responsibilities for both of us.
2. Inspection. You agree that you will inspect the dwelling within 48 hours after move-in or signing this Addendum and will notify us of any bed bugs or bed bug infestation.
3. Representations. We represent that we are not aware of a current infestation or presence of bed bugs in the apartment. You represent that: A) you are not aware of any bed bug infestation or presence in any of your furniture, clothing, or personal property and possessions; B) you have fully disclosed to us any previous bed bug infestation which you may have experienced; and C) if you were previously living in an apartment or home that had a bed bug infestation that you had all furniture, clothing, and personal property or belongings professionally and properly cleaned and treated by a licensed pest control professional.
4. Access for Bed Bug Treatment. You must allow us and our pest control professional access to the apartment at reasonable times to inspect for or treat bed bugs. You and your family members, occupants, guests, and invitees must cooperate and will not interfere with inspections or treatments in accordance with this Addendum. We have the right to select any licensed pest control professional to treat the apartment and building. We can select the method of treating the apartment, building and common areas for bed bugs. You are responsible for and must, at your own expense, have your own personal property, furniture, clothing and possessions treated according to accepted treatment methods established by a licensed pest control firm that we approve.
5. Duty to Report. You must report any signs of bed bugs immediately and in writing. Do not wait. Even a few bugs can rapidly multiply to create a major infestation. When an infestation is caught early, treatment is often much quicker and less disruptive than when the infestation is more advanced.
6. Cooperation & Responsibilities. Successful treatment of a bed bug infestation is dependent on your full cooperation. If we confirm the presence of bed bugs, you must cooperate and coordinate with us and our pest control professionals to treat and eliminate the bed bugs. You must follow all directions from us or our agents to clean and treat the apartment and building that are infested. Follow-up treatments or inspections may also be necessary. You shall not treat the apartment for a bed bug infestation on your own. You acknowledge that we have the full right to select a licensed pest control professional to perform treatments and cleaning of the apartment and building. You must remove or destroy personal property that cannot be treated or cleaned before we treat the dwelling. Any items you remove from the dwelling must be disposed of off-site and not in the property's trash receptacles. If we confirm the presence or infestation of bed bugs in your dwelling, we have the right to require you to temporarily vacate the dwelling and remove all furniture, clothing and personal belongings in order for us to perform pest control services. If during the term of your tenancy: A) bed bugs appear in the apartment; and B) a pest control professional determines that the bed bugs originated in your apartment, you acknowledge and agree that all necessary treatments for your apartment and other units as well as all of our additional costs, expenses and losses will be at your expense. In addition, you acknowledge and agree that if: A) you do not comply with the preparation of the apartment as required by the pest control professional or us; and B) the treatment is unsuccessful because of that, you will also be responsible for subsequent treatments to the apartment and for any treatment to adjoining units that are infested with bed bugs. If you fail to pay us for any costs you are liable for, you will be in default, and we will have the right to: A) terminate your right of occupancy; B) exercise all rights and remedies under the Lease; and C) obtain immediate possession of the Premises. If you fail to move out after your right of occupancy has been terminated, you will be liable for hold over rent under the Lease. You acknowledge and understand that you agree to follow all guidelines given to you by our licensed pest control professional.
7. Indemnification. Under no circumstances shall the Owner and/or Owner's agents and employees be responsible to you for any losses, damages or expenses including special, consequential or punitive arising out of a bed bug infestation, inspection or treatment. Additionally, you agree to indemnify and hold harmless the Owner, its agents and employees from any actions, claims, losses, damages, or expenses, including, but not limited to, attorney's fees that the Owner may incur as a result of a bed bug infestation, inspection or treatment. This indemnification shall not apply if such damages, costs, losses, or expenses are directly caused by the negligence of the Owner.
8. Default. Failure to promptly report bed bugs, failure to comply with treatment instructions, or any other violation of any other provision of this Addendum is a material violation and breach of the conditions of your Lease. Said violation and breach constitutes: A) grounds for eviction; B) termination of occupancy, and C) subjects you to all other damages, costs legal fees and expenses as stated in the Lease and/or this Addendum.
9. Severability, Waiver and Survival. The provisions of this Addendum shall apply to the fullest extent permitted by law. The partial or complete invalidity or unenforceability of any one or more of the provisions shall not affect the validity or continuing force and effect of any other provision. The court shall interpret and construe the remaining portion of this Addendum so as to carry out the intent and effect of the parties. The failure of either party to insist, at any time, upon the performance of any of the terms, or to exercise any right herein, shall not be construed as a waiver or relinquishment of such term or right. The terms of this Addendum shall survive the termination of the

Lease. The undersigned, intending to be legally bound, acknowledge having read and understood this Addendum and agree to carry out the obligations and responsibilities described herein
